## S. RES. 582

Whereas, on March 1, 1872, Congress established Yellowstone National Park as the first national park for the enjoyment of the people of the United States;

Whereas, on August 25, 1916, Congress established the National Park Service with the mission to preserve unimpaired the natural and cultural resources and values of the National Park System for the enjoyment, education, and inspiration of current and future generations;

Whereas, on March 1, 2022, Yellowstone National Park was the first national park within the National Park System to celebrate its sesquicentennial;

Whereas the National Park Service continues to protect and manage the majestic landscapes, hallowed battlefields, and iconic cultural and historical sites of the United States;

Whereas the units of the National Park System can be found in every State and many territories of the United States and many of those units embody the rich natural and cultural heritage of the United States, reflect a unique national story through people and places, and offer countless opportunities for recreation, volunteerism, cultural exchange, education, civic engagement, and exploration;

Whereas visits and visitors to the national parks of the United States are important economic drivers, responsible for contributing \$28,600,000,000 in spending to the national economy in 2020;

Whereas the dedicated employees of the National Park Service carry out their mission to protect the units of the National Park System so that the vibrant culture, diverse wildlife, and priceless resources of these unique places will endure for perpetuity; and

Whereas the people of the United States have inherited the remarkable legacy of the National Park System and are entrusted with the preservation of the National Park System throughout its second century: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates the week of April 16 through April 24, 2022, as “National Park Week”; and

(2) encourages the people of the United States and the world to responsibly visit, experience, recreate in, and support the treasured national parks of the United States.

#### SENATE RESOLUTION 583—SUPPORTING THE GOALS AND IDEALS OF NATIONAL SAFE DIGGING MONTH

Mr. PETERS (for himself, Mrs. FISCHER, Mr. WICKER, and Ms. CANTWELL) submitted the following resolution;

tion; which was considered and agreed to:

## S. RES. 583

Whereas, each year, the underground utility infrastructure of the United States, including pipelines, electric, gas, telecommunications, water, sewer, and cable television lines, is jeopardized by unintentional damage caused by those who fail to have underground utility lines located prior to digging;

Whereas some utility lines are buried only a few inches underground, making the lines easy to strike, even during shallow digging projects;

Whereas digging prior to having underground utility lines located often results in unintended consequences, such as service interruption, environmental damage, personal injury, and even death;

Whereas the month of April marks the beginning of the peak period during which excavation projects are carried out around the United States;

Whereas, in 2002, Congress required the Department of Transportation and the Federal Communications Commission to establish a 3-digit, nationwide, toll-free number to be used by State “One Call” systems to provide information on underground utility lines;

Whereas, in 2005, the Federal Communications Commission designated “811” as the nationwide “One Call” number for homeowners and excavators to use to obtain information on underground utility lines before conducting excavation activities;

Whereas the 1,800 members of the Common Ground Alliance, States, “One Call” centers, and other stakeholders who are dedicated to ensuring public safety, environmental protection, and the integrity of services, promote the national “Call Before You Dig” campaign to increase public awareness about the importance of homeowners and excavators calling 811 to find out the location of underground utility lines before digging;

Whereas the Pipeline Safety, Regulatory Certainty, and Job Creation Act of 2011 (Public Law 112-90; 125 Stat. 1904) affirmed and expanded the “One Call” program by eliminating exemptions given to local and State government agencies and their contractors regarding notifying “One Call” centers before digging;

Whereas, according to the Common Ground Alliance’s 2020 Damage Information Reporting Tool (DIRT) Report published in October 2021, there were an estimated 468,000 instances of excavation-related damage to underground facilities in the United States during 2020, and failing to contact 811 in advance of a digging project caused over 30 percent of these damages;

Whereas, in 2021, the Common Ground Alliance conducted a survey of active diggers who have completed a project within the past 12 months and found that 74 percent of the more than 1,800 respondents were aware of 811;

Whereas the Common Ground Alliance estimated that the societal costs of excavation-related damage to buried utilities were \$30,000,000,000 in 2019, including costs for facility repair, property damage, medical bills, and costs to the surrounding businesses affected by the resulting utility outages; and

Whereas the Common Ground Alliance has designated April as “National Safe Digging Month” to increase awareness of safe digging practices across the United States and to celebrate the anniversary of 811, the national “Call Before You Dig” number: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals and ideals of National Safe Digging Month;

(2) encourages all homeowners and excavators throughout the United States to call 811 before digging; and

(3) encourages all damage prevention stakeholders to help educate homeowners and excavators throughout the United States about the importance of calling 811 before digging.
